THE MIRAMICHI GOLF & COUNTRY CLUB

TRIBUTE BENCH PROGRAM

Dear members,

The Miramichi Golf and Country Club is pleased to announce the *Tribute Bench Program*, allowing to dedicate a bench to pay tribute to loved ones.

MORE THAN JUST A SEAT!

Many of our members have fond memories of spending time with family and friends at our beautiful golf course and have indicated their priceless wishes to remember and celebrate their lives or the moments spent together. In fact, the Miramichi Golf and Country Club already have benches built 20 years ago, which are now dated and towards the end of their life, in need of replacement.

Remembrance benches are gaining popularity in many parts of the world to honour loved ones. Moreover, many relatives and friends like the idea of a bench being in the person's favourite sport, their local golf course.

While our benches are a great memorial to those **who have passed**, they can also be a great tribute to loved ones **who are still here to see them**.

What a great way to show tribute to a special loved one and let them know just how much you care, and often share the joy of the person's life with others!

Our *Tribute Bench Program* gives you the opportunity to pay tribute in memory of a loved one or dedicate it to a friend or family member.

While benches benefit members of our club, they add a bit of personality to the course and bring back memories.

Just like our *Adopt A Tree Program*, the proceeds from the Tribute Bench Program will go towards:

- The purchase, the installation and maintenance of the bench.
- The acquisition and installation of the plaque.

IMPORTANT INFORMATION

- The cost of tribute benches is \$500. This amount covers the cost of a personalized plaque, the installation and maintenance of the bench for a period of 10 years.
- Personalized plaques will bear the name of the honoree.
- After 10 years, the donor will be offered the opportunity to reinvest in the program for another 10 years. The plaque will be removed and mounted on a wall at the discretion of the Miramichi Golf and Country Club.
- The placement and orientation of the benches as well as their repair and maintenance are at the sole discretion of the Miramichi Golf and Country Club.
- Benches will be placed on the course during the golf season and will be stored during the winter months.
- The Miramichi Golf and Country Club retains the right to relocate the bench to meet management needs.
- Placement of memorial wreaths, flowers, or other items on or around the bench is not permitted.

Once your information and your payment have been received, you will receive, for every bench:

- A digital thank you card including a digital photo of the bench, and the plaque, as well as the description of the location of the bench.
